INTRODUCTION

Global-Wealth Loans was founded with the belief that every person has the capacity to do well in life and can contribute to social-economic development of their country if given a chance and resources. Global-Wealth Loans looks at the welfare of citizens especially women and youth of that if they are well financially empowered can contribute to the development of their respective nations. This is why Global-Wealth Loans has opened many doors of its operations in a number of African countries including Malawi.

Global-Wealth Loans targets women and Youth in rural area of developing countries who have a vision for their families and individual lives. These people are economically empowered by being given easy accessible and affordable loans that supports them to generate income that make them financially stable and independent.

Global-Wealth Loans limited provide loans products like; **business loan, Agricultural loans, asset loans, housing loans ,Civil servants loans and Payroll Loans.** Through the years Global- Wealth loans has been in operation, we have witnessed a great positive impact and transformation of many lives in both rural and urban areas. This has been possible because our loan products are well tailored to meet the needs of the societies in many African communities, they are easily accessible and the lending rates are very competitive.

OBJECTIVE

» To enhance easily, accessible, cost effective and sustainable financial service to small business owners and individuals that would enable increased investment and capacity in their business which will result in increasing their income levels.

OUR VISION

» A leading Malawian social microfinance institution working to achieve positive and lasting changes in the livelihoods of economically active small scale business people and groups in socially responsible manner

OUR MISSION

» To improve the livelihoods, skills and self-confidence of small scale business people in Malawi by providing responsible and reasonable microfinance and complementary social-economic services
